From the Desk of the President...

By Janet Nye

Transition season is coming-fall is nearing. We all know we are not there yet and have to walk through more warm weather before fall is truly here. I am getting hints of fall with an occasional cool breeze but also through exciting activities on the fall calendar.

I am very grateful for Mary Schlatterer presiding over the August meeting and to Rob Stephens for coming to give us an update with Leave No Trace. Thanks for continuing our mission!

I am continually excited by the emails I receive notifying me of new and renewing members. Thank you to all of you for continuing your membership in the Ozark Society. We are always seeking to educate, to conserve and of course, to “play”. I am reminded that most folks don’t know who the Ozark Society is and why we were founded-to SAVE the BUFFALO RIVER! Let’s continue to tell our friends and invite those we meet to join us.

We have the opportunity to reach out to our community at the **Hillcrest Fall Festival** on Saturday, October 12th. The Pulaski Chapter will have a booth at this festival where we will talk with folks about who we are and what we do, sell books, and have “hands on” activities. We will need our chapter members to come and help speak to those attending and to help set up and take down. The hours are 11:00-7:00 with set up at 10:00. Please let me know when you can come!

Our September meeting is one of my favorite each year. We will gather at the Pinnacle Mountain State Park Big Maumelle pavillion for a potluck. We will eat and visit. Come join us at **6:30. Bring your food, a dish to serve your food on, silverware and a drink.**

No matter what the weather is that day, it’s ALWAYS cooler at this pavillion. Also, it’s a great time to paddle around on the Big Maumelle. I look forward to seeing you!

Ozark Society Store

The Ozark Society is blessed with people who use their skills to make this organization work.

I'm very excited about the results of much hard work by Carolyn Shearman to make our Ozark Society store current. We can now go to our website (ozarksociety.net) click on items, "add to cart" and check out with a credit card. That's exciting!

You can now buy Fred Paillet's new book, Forest Forensics with a click!

Thanks to Carolyn and our web designer, Josh, for all your hard work!
