

Guidelines for Using the BCOS Kayaks

We have 12 kayaks that are available for our **Members and their Guests** to use on BCOS scheduled events. Currently the kayaks are spread out between our board members.

Making arrangements for kayak usage and transportation as far in advance as possible is very important. To request a kayak, email the following three people collectively.

You will then receive a reply of availability, and arrangements can be made. However, It is not the responsibility of those who may have a kayak, or kayaks, to get them to the location for the BCOS users. rmax62@comcast.com, royoneal2@gmail.com, wkeifer59@gmail.com

When requesting the usage of a kayak it is imperative that you show up to use the kayak. We cannot leave the kayaks unattended, and a trailer with unused kayaks cannot be left.

Please be prepared to wipe, dry and load the loaner kayak after use.

Richard Maxwell has access to Cross Lake and allows **Members and their Guests** to use the kayaks from his location. His email is rmax62@comcast.com

Please consider a donation of any amount for the use and upkeep, etc. of the kayaks, paddles and PFD's. There is not a charge for their use, but this does not mean no expenses are involved.

We are currently working on a more viable solution to this process, please look for an updated procedure by next year.
