

# 18th Annual Lake Sweep

March 7 9:00am– 1:00pm

## **Volunteers Needed:**

Help keep our watershed, community, and drinking water clean! Volunteer to pick up trash and other "Spring Cleaning" watershed enhancements around Lake Maumelle. **We will focus on a shore-line cleanup. Bring clothing that you don't mind getting dirty plus boots and gloves. If you bring your boat to help, don't forget there is no longer a launch fee!**

Meet at the marina at 9:00 to register and receive assignments. There will be a variety of tasks for all ages and skill levels.

The cleanup will end with a volunteer lunch and door prizes at the marina around noon.
